All adult guests must ensure understanding and acceptance of the content of this document by signing the relevant sections.

I acknowledge the following information and agree to the terms and conditions as stipulated:

- I am entering a Reserve and am fully aware of the dangers and risks arising due to the presence of wild animals, reptiles, birds, and insects ("wildlife").
- I will be participating in activities in and around the Reserve which are inherently dangerous, including, but not limited to, the viewing and exposure of and to wildlife, from open and/or closed vehicles, bush walks, hovercraft trips and on foot, utilising the Restaurant and Bar area and I understand and accept the risks inherent to these activities and areas.
- Entry and traversing on the Reserve, participation in all and any activities, shall be at my own risk and of those accompanying me for whom I am responsible.
- The indemnitees, including their insurers, are not liable should I, or any of those accompanying me for whom I am responsible, in any way suffer any physical injury, illness or other harm or death, or should any personal property (including any vehicle and/or contents thereof) be lost, stolen or damaged.
- Management and staff do not accept responsibility for private possessions, or any personal injury of any kind sustained while being on the Reserve.
- Closing gates once I've passed through.

In the event of an indemnified occurrence, any assistance provided by any indemnitee shall not be regarded as an admission of liability, all costs regarding any such assistance, including medical assistance, being the sole responsibility of the Guest.

All the rules, provisions, or clauses outlined in Section E are fully relevant and enforceable within the context of Section F.

I acknowledge and accept the following terms & conditions, related to the Hovercraft activity:

- The number and placement of passengers on the Hovercraft is decided at the sole discretion of the pilot. Once placed, passengers should not move around.

- All children must be under the supervision of an adult Parent/Guardian.
- No loose objects allowed onto the Hovercraft. Loose objects can distract the pilot, fall in the water, or become a hazard for the fan. There is a risk of water damage to electronic items, as there is water spray.
- Hair should be tied and no loose clothing or accessories. Long hair, straps, or loose objects should they come in contact with the lift fan, can cause serious injury or death.

- No food or drinks are allowed on the Hovercraft. The pilot will not allow any person under the influence of any substance on board.

- Any trip may be shortened, or cancelled at short notice, due to gusty conditions, which may pose a risk to passengers.
- Obstacles and water levels along the route may lead to the pilot adjusting, or shortening the route for safety reasons.
- Engine, or belt failures may occur and a recovery plan is in place in case of a breakdown that cannot be resolved by the pilot. Such incidents and/or the need for recovery, may add unplanned time to the Hovercraft outing.
